

TOWN PLANNERS, SURVEYORS
& DEVELOPMENT CONSULTANTS

Brie Foster

GRADUATE TOWN PLANNER

Brie is a Graduate Town Planner with Norris Clarke & O'Brien. She has a keen interest in Development Applications and Approvals. During her time with NCOB she has assisted on a variety of Development Applications ranging from Multi-Unit Dwellings to Educational Establishments.

Experience

Brie's recent experience includes:

- Working within the private sector assisting with the preparation and lodgement of development applications in the areas of subdivisions; commercial properties; high density residential; house extensions; educational establishments; and institutional facilities.
- Liaising with local councils, such as Brisbane City, Gladstone Regional, Ipswich City; Logan City and Moreton Bay Regional on Town Planning matters.
- Assisting in the preparation of Due Diligence Assessments / Site Investigation Reports in order to determine the development potential and highest & best use of a property with respect to on-site constraints.
- Attendance to a variety of seminars, presentations held by Brisbane City Council and the Planning Institute of Australia.
